PROFILE

Manager with +5 years of Experience in Management Consulting
Ernst & Young | Former KPMG

Business Consulting Manager with experience in marketing and sales strategy, customer experience and business transformation. I combine a data-driven mindset with strong problem-solving skills and a focus on client satisfaction and team development.

WORK EXPERIENCE

ERNST & YOUNG | Milan, Italy | Mar 2022 – Today

Manager – Marketing and Sales Strategy & Customer Experience

Lead cross-functional teams (6+ FTE) and drive transformation programs across multiple industries (Tech, Energy, Telco, Insurance, Food & Beverage), working closely with C-level stakeholders on customer, marketing and commercial strategies.

- *Business development*: delivered 10–15 strategic proposals/year, supporting business development and account growth
- *Commercial team portfolio*: support the definition and execution of the commercial re-portfolio strategy for 70+ sales reps, improving client–sales alignment and coverage effectiveness
- *Financial–performance correlation*: developed a data-driven correlation model linking financial KPIs with operational and CX performance
- *CX measurement & governance*: designed the CX measurement framework (journeys, listening model, dashboards), contributing to a +12% NPS increase
- *Pricing excellence*: developed and implemented the new pricing operating model, reducing operational effort by 10%
- *Loyalty program*: re-designed the loyalty strategy, increasing customer retention by 8%

KPMG ADVISORY S.P.A. | Milan, Italy | Mar 2019 – Mar 2022

Senior Consultant – Customer Experience & Marketing Strategy

Managing multifunctional projects multiple industries (Energy, Telco, Entertainment & Media, Food & Beverage, Fashion,…):

- *Marketing & sales strategy*: contributed to redesigning the commercial operating model and improved the CRM adoption by 30%, strengthening alignment between marketing and sales
- *CX & performance improvement*: analyzed customer and business KPIs to identify 10 priority transformation areas and focus efforts on the 5 initiatives with the highest impact on CX and commercial performance
